AIR2WATER GREEN ENERGY TECHNOLOGY MAKES HISTORY AT THE WORLD CONFERENCE OF MAYORS QUARTERLY BOARD MEETING IN HISTORICAL JACKSON, MISSISSIPPI AS THE MAJOR SPONSOR HONORING “CIVIL RIGHTS MARTYR, MEDGAR EVERS”

Jackson, Mississippi June 4-6 2009 - The World Conference of Mayors (WCM) announced its Partnership / Resolution with Air2Water Global and its major break through technology from Air2Water, LLC, converting air into water. The Honorable Johnny Ford declared on behalf of Mayor Ron Davis, (WCM) President, its Board and fellow Mayors from around the world, “I wish to thank Air2Water Global for sponsoring the “Medgar Evers Luncheon” and we are extremely honored and excited to join Ambassador Oscar J. Webb as he led the Air2Water Global Team, headed by its President/CEO Mr. David Robinson around the world.

Ambassador Webb who has served as the International Ambassador for the World Conference of Mayors for the last 30 years and serves as the National/International spokesperson for Air2Water Global stated “Team Air2Water presentation at the conference was an overwhelming success and gives Air2Water Global an excellent chance to help create **President Obama’s Green Job Initiative.**”

Team Air2Water Global had dialogue with elected officials that represent over 40 million people which will represent many new business opportunities. The Honorable Shelia Smoot Commissioner of Jefferson County, Alabama stated “This is a great opportunity for people that live in rural Alabama, Mississippi and Georgia who do not have access to fresh clean drinking water” and invited Air2Water Global to her County to give a presentation. The Honorable Johnny Ford has invited Air2Water which is now a corporate round table member to its August Meeting which will be held in Tuskegee, Alabama.

Mr. Mike Klein, the Founder of Air2Water, LLC, and Mr. David Robinson President/CEO Air2Water Global sent congratulatory letters to Ambassador Oscar J. Webb, International Ambassador Prince Asiel Ben Israel and Mr. Gary Byrd for introducing Air2Water Global to the **United States Congress, World Conference of Mayors, The National Organization of Black County Officials, The National Black Caucus of State Legislators, The National Association of Black County Officials, Blacks in Government, The National Black Chamber of Commerce, The International Black Broadcasters Association.** **Ambassador Webb thanked the Air2Water team for completing two historical presentations in a record ten day span.**

About Air2Water Global

Water is what sustains life on Earth. Our health, our homes, our very existence is dependent upon this precious resource. Pollution and contaminants are tainting many freshwater sources and desalination plants are providing to be too costly to be effective on a large scale. People have cast their eyes skyward, thirsting for a solution. “And out of thin air one has been found”. Through our patented atmospheric water generation process, Air2Water provides clean, fresh drinking water that is free from chemicals, efficiently and affordably. www.air2water.org
